MOBILE FARM STAND

Bringing the farmers market to your workplace!

ABOUT

DAILY HARVEST EXPRESS MOBILE FARM STAND

Since 2015 our “farmers market on wheels” has delivered healthy local produce to thousands of businesses and employees throughout San Diego. **In 2017, the County of San Diego declared Nov 2nd to be Daily Harvest Express Day** to recognize our success in getting healthier food where it counts: your home and office!

Our mission is to bring the healthy magic of a local farmers market to the workplace, inspiring busy people to eat healthier while supporting local family farms in San Diego and surrounding counties.

HOW IT WORKS

1. Sign Up & Save - When your business signs up, you pay an upfront fee based on your company's size. The Farm Stand coupons you receive with your signup package nearly cover the entire upfront fee while also incentivizing employee participation!

< 300 employees = \$350 fee, \$250 in coupons
301-500 employees = \$450 fee, \$350 in coupons

501-700 employees = \$600 fee, \$500 in coupons
800+ employees = contact us for quote

2. Customize & Promote - Choose the Farm Stand schedule that's best for you: one-time, biweekly, or monthly.

We provide you with everything you need to get the word out to your employees: e-blasts, signage, and printable coupons. We also work closely with your team to tailor the event to your needs, and will even prepare information for your property managers as-needed.

3. Shop - Our Farm Stand arrives loaded with 24 varieties of organic fruits & veggies, all sourced from local family farms. Plus we offer artisanal foods such as organic cheese, eggs, nuts, spices and snacks from our network of local food crafters.

Your employees will enjoy one full hour to sample delicious, farm fresh produce, taste fresh made dishes, get recipes, learn where their food comes from, and do some healthy shopping!

Did you know? Any produce left over after the event is donated to a local charitable organization that distributes it to low income children, senior centers, and food kitchens that feed the homeless.
